

Maternal Care Centre at Jim Pattison Children's Hospital (JPCH)

After **6 am on 29 September 2019**, all pregnancy services after 16 weeks will be located at the Maternal Care Centre, 3rd floor, JPCH

Maternal Care Centre is on the 3rd floor

Registration – 24 hours/7 days per week for:

- Maternal Assessment (for labour or pregnancy concerns after 16 weeks)
- Maternal Outpatient Department - MOPD (for scheduled appointments with consultants)
- Maternal Fetal Unit - MFU (for scheduled ultrasound appointments)
- Prenatal Unit
- Planned cesarean delivery

The main entrance of JPCH is located on P5 of the RUH parkade

Arriving by car

If you are arriving by car, pay parking is available on site on levels P3, P4 and P5 of the RUH parkade. Follow the directions into the parkade. Vehicles over 1.9m high must use the oversize vehicle parking area outside RUH. Parking on level P5 will give you direct, same level access to the main entrance. If you park on another level, take the stairs or elevator up to the Main Floor and follow the signs to Maternal Care Centre.

If you are arriving by taxi or being dropped off or picked up, the driver may enter the parkade and drop you off or pick you up at the front doors of JPCH without charge for a maximum of 15 minutes.
